

Course name	JIRITSU-KATSUDO for the physical disabilities
Course Number	CE26041
Credits	1.0
Year	2
Term, Weekday and Period	Fall B Intensive
Instructor	Takao ANDO
Course overview	This course will overview the teaching of JIRITSU-KATSUDO, as Japan's original field of education, for children with physical disabilities including multiple disabilities. In particular, the course will focus on individualized teaching. Along with the basic concepts such as individualized planning and team-teaching, students will learn more about practical teaching based on the clinical behavior method.
Remarks	Details will be informed later.
Teaching method	Lecture
Attainment target	Students will understand the teaching method of JIRITSU-KATSUDO in education for children with physical disabilities.
